The Search Committee has received documentation for all candidates in our search and is now spending time in review and evaluation. Semi-finalist interview invitations will be sent out soon after the initial evaluation is complete. This part of the process is confidential, particularly to safeguard the candidates and their current employment. We appreciate your patience, your understanding about the confidential nature of this work, and your commitment to our community while we wade through this phase of the search. We hope you will continue praying with us and for us as we discern the next leader of our wonderful school!
